

RS800 Special 20th Anniversary T-Shirt

Designed by RS800 Chair Emma McEwen to commemorate the 20th anniversary of the RS800

Atoll blue, soft 100% cotton, ring-spun short sleeved crew neck with 2019 RS800 anniversary logo on front left chest and on back. Men's top 185g/m². Ladies fit top 145g/m²

Men's top available in small, medium, large and extra large

The ladies' top comes up small. I normally wear a size 10 or M&S small top but need a medium in this fitted style. So I suggest you order one size above your normal size. Available in medium, large and extra large
