

## Working for ALL RS sailors

- Sets the rules to give great one-design and handicap racing – enhancing resale values
- Organises websites, forums, race reports, news – keeping you informed
- Organises racing events with fantastic social scene – improving your Class's popularity and value
- Organises training events – helping you get the most from your boat
- Liaises with the builder, RS Sailing – ensuring the quality and specification are what owners want
- Encourages new people to get involved – giving a better experience for everyone

## Who is your Class Association?

- It is run by volunteer sailors with back-up by part time professional administrators
- The sailors make the plans and communication – without having to do all the leg work

## ***Please show support by joining your Class Association***
